## **Intro Question**

Before we read Jonah 1, what are you expecting to happen in this chapter?

## **Going Further Questions**

Read Jonah chapter 1. What are some unexpected things you noticed in this chapter?

What words or ideas are repeated throughout this chapter? Why do you think these things are repeated?

What differences do you notice between Jonah and the sailors?

Why do you think Jonah requests to be thrown overboard in verse 12? What would be another way he could have responded?

What did it take for the sailors to turn to God?

## **Reflection Question**

*For this last question, you don't need to share your answer with others unless you are comfortable doing so.*

Take a moment to reflect on how willing the sailors were to turn to God. Ask God if there's anyone in your world who might also be surprisingly willing to turn to God.

Pray together.
